DIGITAL TOOLKIT

The Honoring Investments in Recruiting and Employing American Military Veterans Act of 2017 (HIRE Vets Act or the Act), signed by President Trump on May 5, 2017, required the Secretary of Labor to establish a program, by rule, that recognizes employer efforts to recruit, employ, and retain veterans. The Secretary announced the Final Rule (20 C.F.R. § 1011) on November 9, 2017, the program became effective in January 2018, and accepted initial applications in 2019.

The HIRE Vets Medallion Program is an employer recognition program administered by the Department of Labor's Veterans' Employment and Training Service (VETS). Through the program, VETS accepts voluntary applications from employers for the HIRE Vets Medallion Award beginning on January 31 of each calendar year. The Award recognizes employers who hire and retain veterans, including their efforts to establish employee development programs and veteran specific benefits to improve retention.
